SCHEDULE C
MAINTENANCE OF INSURANCE AND PAYMENT
OF EXTRAORDINARY EXPENSES FOR MINOR CHILDREN

1. The person checked:
□ PARENT 1 is ordered to maintain in full force and
□ PARENT 2 effect a policy for medical, surgical, and hospital
□ _____ insurance for the minor child(ren).

2. Unless otherwise agreed or ordered, the residential parent or legal custodian shall pay the first $100 of necessary uncovered expenses per calendar year, per child.

After the residential parent or legal custodian has paid said expenses of $100 per year per minor child, both shall share in the payment of further expenses for the year in accordance with the percentage of income shown on the child support worksheet currently in effect. The residential parent or legal custodian shall provide the other parent(s) the original or copies of all medical bills, and explanation of Benefit Forms (EOB) within ninety (90) days of the date on the bill or EOB absent extraordinary circumstances. The other parent(s) shall, within thirty (30) days of receipt of said bill, then either reimburse the residential parent or legal custodian or pay directly to the medical provider, that parent's percentage share of the bill per the child support worksheet.

The person obligated to provide insurance shall promptly provide the other parent the insurance card and all other documentation and/or information necessary to secure coverage available for the benefit of the minor child. Both shall cooperate in the preparation of insurance forms to obtain reimbursement or payment of said expenses.

Should the health insurance coverage be canceled for any reason, the parent ordered to maintain insurance shall immediately notify the other parent and take immediate steps to obtain replacement coverage. Unless the cancellation was intentional, the uncovered expenses shall be paid as provided above. If the cancellation was intentionally caused by the parent ordered to maintain insurance coverage, the parent shall be responsible for all medical expenses that would have been covered had the insurance been in effect.

3. The term "medical expense" or "medical records" as used above and in parenting schedules A and B, shall include but not be limited to medical, dental, orthodontic, optical, surgical, hospital, major medical, psychological, psychiatric, outpatient, doctor, therapy, counseling, prosthetic, and/or all other expenses/records including preventative medical expenses/records related to the treatment of the human body and mind. "Major medical expense" includes all uncovered medical expenses that are or may exceed $500.

4. The Court expressly reserves jurisdiction to reapportion payment of medical expenses between the parties, which are not covered by insurance, upon the motion of either party. Generally, the Court will not consider such a motion unless the expenses are "major medical expenses" as defined above.

5. When it is determined that it is necessary for a minor child to incur major medical expenses not of an emergency nature, the responsible parent shall immediately notify the other parent before authorizing treatment. The other parent has a right to know the necessity for, proposed cost of treatment, and proposed payment schedule, and may also secure an independent evaluation to determine the necessity for treatment of the child at his/her expense.
