

SCHEDULE D

Provisions of Health Insurance for Minor Children

The determination set forth herein is based on information provided to the court or to the child support enforcement agency under section 3119.31 of the Revised Code. Unless otherwise specified by the Court or other legal authority, health insurance shall be considered to be available to a party at a reasonable cost if available to the party through employment, unless the cost of providing insurance to the child(ren) in combination with the party's child support obligation(s), if any, exceeds the maximum amount permitted under the Consumer Credit Protection Act, 15 U.S.C. 1673(b). The parties shall immediately notify the County CSEA of any changes in the status of health insurance coverage available or provided for the benefit of the minor children who are the subject of this order.

The support order entered herein shall include one of the following selected requirements:

(A) The obligor under the child support order shall obtain health insurance coverage for the child (ren), the court finding that coverage is available at a reasonable cost through a group policy, contract, or plan offered by the obligor's employer or through any other group policy, contract, or plan available to the obligor, such as that of a parent or current or future spouse, and is not available for a more reasonable cost through a group policy, contract, or plan available to the obligee;

(B) The obligee under the child support order shall obtain health insurance coverage for the child(ren), the court finding that coverage is available at a reasonable cost through a group-policy, contract, or plan offered by the obligee's employer or through any other group policy, contract, or plan available to the obligee, such as that of a parent or current or future spouse, and is available at a more reasonable cost than coverage is available to the obligor;

(C) Finding that health insurance coverage for the children is not available at a reasonable cost through a group policy, contract, or plan offered by the obligor's or obligee's employer or through any other group policy, contract, or plan available to the obligor or the obligee, the obligor and the obligee shall share liability for the cost of the medical and health care needs of the children, under the following equitable formula established by the court:

If, after the issuance of this order, health insurance coverage for the children becomes available at a reasonable cost through a group policy, contract, or plan offered by the obligor's or obligee's employer or through any other group policy, contract, or plan available to the obligor or obligee, such as that of a current or future spouse, the obligor or obligee to whom the coverage becomes available shall immediately obtain the said insurance and inform the child support enforcement agency, which agency shall inform the court of such availability and of any action required to modify, or otherwise satisfy the requirements of Ohio law and this order;

(D) Both the obligor and the obligee shall obtain health insurance coverage for the children, provided the same becomes and/or remains available at a reasonable cost to both the obligor and the obligee through employment or alternate source, the Court finding that coverage is available for the children at a reasonable cost to both the obligor and the obligee through employment or alternate source, and that dual coverage would provide for coordination of medical benefits without unnecessary duplication of coverage.
